

# **American Turkey**

**as depicted on  
Lions Club pins**

**Compiled by Lion Ray Moore**

**[www.famousray.weebly.com](http://www.famousray.weebly.com)**

**The variety of topics as depicted on  
Lions Club friendship trading pins  
is almost overwhelming.**

**Every collector is faced with the choice  
of what they are interested in and  
what they have the room to store.**

**So personal interests, occupation, curiosity, and  
who knows what else may influence their choice.**

**It could be that seeing a topic for the first time may  
make one wonder if there are other similar pins  
and the next thing you know, you have a large accumulation.**

**Why did I choose turkeys?**

**Seeing one for the first time and the fact that  
I am a Hokie, a graduate of Va Tech, and our mascot is a  
GOBBLER!**

**No better reason is needed.**

**The fun is in the hunt and then, of course, one has to brag  
about the success of the hunt.**

**Here are the results of my "hunt".**

**There are a few pins that I know about but don't have  
in my collection and they are marked accordingly.**

**If you can help, please let me know.**

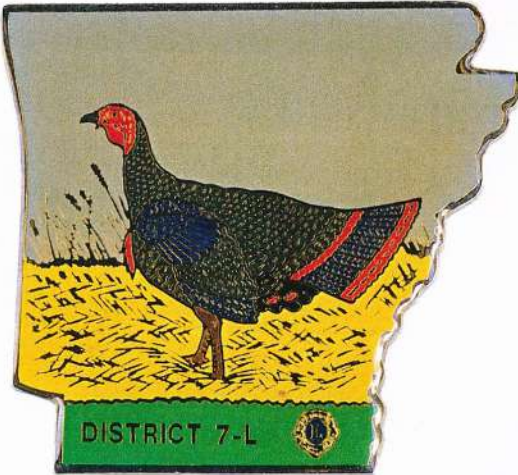

**Enjoy!**
